### **Registration Fees** *(Due With Application)*

#### **New Students**

**\$75.00**

The registration fee accompanies the completed application and is paid prior to the beginning of your child's first year at Children's House. This fee reserves your child's place on our enrollment or waiting list. This fee is non-refundable.

#### **Returning Students**

**\$45.00**

Parents who wish to reserve a space for the coming year and whose children are presently enrolled at Children's House, pay this fee each year to insure placement on our enrollment list. This fee is non-refundable.

### **Program Information**

Tuition is based on a 168 day calendar which closely follows that of the Derry Township School District. There are vacations for holidays and Children's House is closed for most of the summer. The regular school year begins the week after Labor Day and ends the first week of June. There are two orientation days for new and returning students held the last week of August. Though attendance during the orientation days is optional, it is highly recommended for new students. The children attending 5 days a week will receive a 20 minute foreign language enrichment class once a week. The cost is included in the regular tuition. No additional fees are charged for any other activities and Children's House of Hershey does not do any fundraising.

*Tuition is payable on the 1st of each month with the first payment due June 1st. The remaining payments are due September 1<sup>st</sup> through May 1st.*
